MISSION

Helping one person may not change the world, but it may change the world for one person. The mission of the Chris Pfeil Foundation is to provide inspiration, support and direct financial assistance to families battling severe illness. Also, in honor of Chris' love for golf and joy of watching his daughters on the softball field, we will provide college scholarship funds for two Hillsborough, New Jersey High School students annually.

Chris' last wish was to have an Annual Memorial Golf Tournament in his honor to benefit our foundation. We know Chris is proud of us for ensuring his final wish became reality. He may be gone from this earth, but never, ever, forgotten. We look forward to honoring him for years to come and we hope you will too.
